

Different Grinds for Different Kinds

Capresso™ offers a full range of conical, burr and blade grinders producing just the right grind for every taste. With a broad assortment of styles, functions and price points Capresso's grinder program is unequalled in the industry. Priced from \$19.99 to \$139.99 we have the correct grinder for everyday household use to commercial grade coffee grinders. Unlike other household brands Capresso is a *limited distribution product* that is only sold through high-end specialty retailers, catalogs and web e-tailers. Our products are sold at **Minimum Advertised Prices**, ensuring profitability for participating retailers. Very simply put we are an exclusive supplier who wants to be your exclusive vendor of coffee grinders. See complete details about Capresso on our website: www.bang-knudsen.com or contact us at 206-767-6970 to place your order.

If you are not already a Capresso authorized dealer our opening order minimum is \$1,000.
Capresso dealers may order \$600 for free freight, or \$300 FOB
